Summary

We are looking for a skilled, experienced wood machinist to join our production team in a busy furniture factory in Hoddesdon, Hertfordshire.

We are well established manufactures of high quality, domestic furniture, including tables, chairs, sideboards, coffee tables etc. with a strong reputation within the industry.

Your role will include running a wide range of wood machines including various saws, spindle moulders, tenoning machines and CNC routers. Successful candidates will need to be able to

understand and interpret component drawings and cut sheets, and have the ability to work to these to a high standard and high degree of accuracy.

As a growing team, we require a capable, reliable person who is able and willing to adapt and help in other areas of the production line when needed.
